For the most current GI Bill information visit the DVA web site located at: benefits.va.gov/gibill/. The following are the most common GI Bill educational assistance programs available to ARNG Soldiers:

- Montgomery GI Bill-Selected Reserve (Chapter 1606)
- Montgomery GI Bill-Selected Reserve Kicker Incentive (Kicker)

2.1 Montgomery GI Bill – Selected Reserve (MGIB-SR), Ch 1606, Title 10 USC

Overview. Chapter 1606 is an educational program for Service members who are actively participating in the Selected Reserve. Eligibility for this program may be established only one time in a Soldier's career. The ARNG determines initial eligibility, notifies Soldiers, and funds the program while the DVA administers payments to the Soldier. The MGIB-SR program is available to Enlisted, Officer, and Warrant Officer Personnel who are participating members assigned to the Selected Reserve. For members of the Selected Reserve, benefits generally end on the date of separation. Chapter 1606 benefits are paid on a monthly basis directly to the Service Member.

Monthly verification is not required.

2.6 Yellow Ribbon Program

Overview. The Yellow Ribbon Program allows institutions of higher learning to enter voluntarily into an agreement with DVA to fund tuition expenses that exceed the annual tuition cap. Payment is made directly to the school on behalf of the student.

How Do I Qualify?

- Only individuals eligible for Post-9/11 GI Bill at the 100% benefit level, dependents using transferred entitlement, or Fry Scholarship recipients are eligible for Yellow Ribbon funding.

Beginning August 1, 2022, Active Duty Personnel, AGRs, and their spouses using transferred entitlement will be eligible for the Yellow Ribbon Program.

What Do I Get?

- The Yellow Ribbon Program provides additional funding to students for out-of-state tuition or tuition at a private school.
- If a school participates in the Yellow Ribbon Program, DVA will match each dollar the school contributes up to 50% of the difference between the PGIB tuition and fee payment and the amount charged to the student. The combined school and DVA contribution can't exceed the tuition and fee amount charged the student.

2.7 Transfer of Education Benefits (TEB)

Overview. The Department of Defense (DoD) allows members of the Armed Forces to transfer their PGIB benefits to their spouse or dependent children. Unlike the basic Post-9/11 GI Bill, the TEB program is NOT a Soldier entitlement. TEB is an incentive for further service and is intended to promote retention in the ARNG. Not every Soldier will qualify for TEB. Soldiers unable to commit to the required service obligation due to service-limiting situations will not be able to participate in this program.

 - Spouses of Soldiers serving on qualifying active duty are not eligible for the Monthly Housing Allowance.
- Children:
 - Can use the benefit after the transferring Soldier has completed ten years in the Armed Forces.
 - Always paid as if the Service Member was in a Non-Active Duty Status.
 - Can begin using the benefit on their 18th birthday or completion of requirements for high school diploma or equivalency certificate, whichever comes first.
 - A child's eligibility ends on their 26th birthday unless you specify an earlier end date.

- You can modify and/or revoke months between any dependent you originally transferred months to – even after you separate from service.
- You cannot add dependents after you separate from service. Soldiers should consider transferring months to each dependent.

How Do I Apply?

- TEB requests are submitted on the DoD milConnect website at www.dmdc.osd.mil/milconnect.
- Other TEB approval criteria may apply. Refer to Army Regulation (AR) 621-202 or the current ARNG VolEd Policy for the most up to date guidance on the ARNG TEB Program.
- If you have questions about your eligibility for the TEB program, consult with your State or Territory Education Services Officer or GI Bill Manager.

IMPORTANT! All ARNG Soldiers considering TEB should initiate the TEB process as soon as they meet the TEB eligibility requirements.

Step 2: Register for Classes

- Register for classes as soon as your school's registration period opens.
- Visit your School Certifying Official (SCO). This is a school employee who typically works in the financial aid, admissions or Veterans affairs office.
 - The SCO will certify your registration. This tells the VA how many hours you are taking and the cost of tuition & fees and reports your rate of pursuit (1/2-time, 3/4-time, full time).
 - If a tuition payment is due before you receive your CoE from the VA, your SCO may be able to place your school account on hold to wait for payment from VA. Check with your school's finance office for their policies.
- When you receive your CoE from the VA, give a copy to your SCO.

Step 3: Verify Attendance

- While you are in school, you must verify EVERY MONTH with the VA that you are still taking courses to receive your next monthly deposit. (Note: Monthly verification is not required if you are using the Post-9/11 GI Bill).
- You can do your monthly verification in one of two ways:
 - Call 1-877-823-2378
 - Go online at: www.gibill.va.gov/wave and verify attendance through the Web Automated Verification of Enrollment (WAVE).

Step 4: Next Semester

- Do not resubmit the application unless you are changing schools or degree plans.
 - If you changed your school or degree plan, repeat the process in Step 1 and complete a [Form 22-1995](#).
- As soon as registration for the next term opens, register for classes early and make another appointment with your SCO.

2.10 Recent and Upcoming Post-9/11 GI Bill Changes

The Post-9/11 GI Bill has had two major legislative changes since its inception in 2009, the most recent was the Harry W. Colmery Veterans Educational Assistance Act, also known as the “Forever GI Bill,” which was signed into law on August 16, 2017. This law allows more Veterans and service members to qualify for the GI Bill and more time to use it. The changes that went into effect on August 1, 2020 or earlier are reflected in this handbook. Some of the changes that go into effect at later dates are listed below.

- **Effective 1 August 2022:**
 - [Yellow Ribbon](#). Beginning August 1, 2022, Active Duty Personnel, AGRs, and their spouses using transferred entitlement will be eligible for the Yellow Ribbon Program.
- **Other Changes:**
 - VA High Technology Pilot Program.
 - Opportunity to enroll in High Tech programs.
 - VA determines eligible skills and training based on employer input.
 - Can use Chapters 30, 32, 33, 34, 35, or 1606.
 - VA will use automated and electronic processing as much as possible.
 - Work Study program continued.
 - Schools must report whether they allow priority enrollment for Veterans
 - VA will provide information to schools about all GI Bill programs a Veteran or service member is entitled to. Student may opt out.
 - School Certifying Officials must be trained by VA.
 - VA will provide counseling on selected campuses.
 - Various agencies must provide GI Bill use data reports to Congress.
 - Increase in payments to State Approving Agencies.

Chapter 3: FEDERAL TUITION ASSISTANCE (FTA) PROGRAM

3.0 Federal Tuition Assistance (FTA) Overview

Overview. GoArmyEd.com (GAE) is the one-stop virtual gateway for Soldiers to request Federal Tuition Assistance (FTA) online, anytime, for both classroom and distance learning college courses. It is a dynamic online portal which automates most of the enrollment and application process. GAE allows access to many regionally and nationally accredited colleges and universities, and over 1,000 available degree plans. GAE is used by all three Army components, Active Army, Army National Guard, and Army Reserve Soldiers to request FTA.

Soldiers may use FTA to receive one degree/credential from each of the following levels:

- High school diploma or its equivalency
- Undergraduate/Graduate Academic Certificate
- Associate degree
- Bachelor's degree
- Master's Degree

FTA cannot be used for courses or programs leading to a lower or lateral post-secondary credential that is validated in the Soldier's official military personnel record except in the case for certificates. FTA cannot not pay for First Professional degrees (i.e., doctoral degrees, juris doctorates).

How Do I Qualify?

- **Tier 1:**
 - Be currently serving in the ARNG and completed either Advanced Individual Training (AIT), Warrant Officer Basic Course (WOBC), or Basic Officer Leaders Course (BOLC).
 - Have not attained a bachelor's degree and wish to pursue an undergraduate academic certificate, associate's or bachelor's degree or
 - Have attained a bachelor's and wish to pursue a graduate academic certificate or
 - Have attained a bachelor's without the use of FTA and wish to pursue a master's.

- **Tier 2:**
 - Be currently serving in the ARNG and completed either Advanced Leader's Course (ALC), Warrant Officer Advanced Course (WOAC), Captain's Career Course (CCC), or equivalent.
 - Have attained a bachelor's degree with the use of FTA and wish to pursue a master's degree.

- **Service Requirement/Obligation:**
 - Have an ETS or MRD after completion of FTA funded course(s).
 - Officers and Commissioned Warrant Officers are subject to a four-year Reserve Duty Service Obligation (RDSO) OR a two-year Active Duty Service Obligation (ADSO).

- **Additional Criteria:**
 - The college is regionally or nationally accredited AND is a participant in GoArmyEd (GAE).
 - The funded course(s) meets a requirement listed in your personalized degree plan provided by the school (this can include prerequisite courses).
 - Maintain an undergraduate GPA of 2.0 or a graduate GPA of 3.0 for FTA-funded courses.
 - You must submit your FTA request at least 5 business days prior to course start date.

What Do I Get?

- Funding for required courses listed on an approved personalized degree plan.
- Cost of tuition (no fees) up to \$250 per semester hour.
- Up to 16 semester hours per fiscal year.
- Up to 130 semester hours of undergraduate coursework.
- Up to 39 semester hours of graduate coursework.
- Up to 21 semester hours towards a Certificate (undergraduate/graduate).

How Do I Apply?

- **Step 1.** Go to www.goarmyed.com and locate the "Create or Reactivate GoArmyEd Account" and select "Student".
- **Step 2.** Once the student account is established, select the "Request TA" smart link from the student homepage to establish your TA Eligible Role within GoArmyEd.
- **Step 3.** An Army Education Counselor will review your TA Eligible role request and advise you of any follow-on actions required.

- If assistance is required, select the green "?" icon at the top of the GoArmyEd homepage to open the GoArmyEd Assistance Center page. This page will provide GoArmyEd user training, top rated Soldier questions and answers, and access to GoArmyEd Helpdesk personnel.

3.1 Recoupment

Course costs will be recouped from a Soldier's military pay account for:

- Receiving a course grade lower than C for undergraduates or a course grade lower than B for graduate students.
- Failing to resolve an incomplete ("I") grade within 120 days.
- Dropping courses for personal reasons on or after the course start date.
- Transferring to Inactive National Guard (ING) or Individual Ready Reserve (IRR) prior to the course end date.

3.2 Duplication of Benefits

Soldiers may not receive a duplication of federal funds in contradiction to law, regulation or policy. SMs may use FTA in addition to other funding sources (i.e. ARNG State-funded programs, loan programs, scholarships etc.) to fund their educational expenses based on the following limitations:

- ARNG State-funded programs generally do not have an impact on FTA and should not be a factor in determining FTA; subject to any State laws or directives. FTA may be used concurrently with State TA subject to State laws or directives but **may not exceed** 100% of tuition costs.
- The ARNG's Student Loan Repayment Program (SLRP), Health Professional Loan Repayment Program (HPLRP), and Chaplain Loan Repayment Program (CLRP) are education incentives and have no impact on receiving funds from the FTA program. See Chapter 6 of this handbook for further information about those programs.
- In the case where an applicant is eligible for both FTA and a Pell Grant, it is recommended that FTA be applied first to allow maximum use of Pell Grant funds.
- Soldiers receiving an ROTC scholarship under USC Sections 2107 or 2107a **are not** eligible to receive FTA.

3.3 Use with GI Bill

If a Soldier receives education benefits from the DVA and receives FTA benefits from the military, duplication of benefits may be an issue. The issue might involve DVA or DoD regulations, military branch specific regulations, or all three since DVA, DoD, and the military branches all have regulations and guidelines regarding receiving DVA benefits and FTA at the same time. Potential duplication issues are;

- **MGIB-SR (Chapter 1606) Recipients.** FTA may not be used concurrently with MGIB-SR (Chapter 1606) for the same course: Soldiers may use TA and Chapter 1606 benefits during the same semester but may not use those benefits for the same course.
- **Chapter 33 Recipients.** Active duty, National Guard, and Reserve Service Members may receive Chapter 33 benefits for the same courses for which they receive FTA from the military. Depending on their mobilization time, National Guard and Reserve Service Members may have varying percentages of Chapter 33 benefits ranging from 40 to 100%. Schools must deduct FTA benefits from the net tuition and fees submitted to DVA, and Chapter 33 is used to pay toward the remaining out-of-pocket costs.
- **Chapter 30 Recipients.** Active duty Service Members and National Guard and Reserve AGRs may not receive standard Chapter 30 benefits for the same courses for which they receive FTA from the military (except for Top-up). If a student takes several courses, the student cannot receive Chapter 30 benefits for the courses for which FTA is paid. The student may, however, receive Chapter 30 benefits up to the cost of tuition for courses for which FTA has not paid.

- **Chapter 30 and “Top-up”** Service Members who are serving on Active Duty or AGR and are eligible for Chapters 30 and approved for FTA are eligible for Top-up. Top-up allows DVA to pay the difference between what FTA pays and the cost of the course. The law prohibits Active duty or AGR students from receiving regular Chapter 30 benefits and FTA for the same course.
- **Important! Former Active duty Service Members, who earned Chapter 30 benefits while on Active duty and are currently M-day members of the National Guard or Reserve,** may receive Chapter 30 benefits for the same courses for which they receive FTA and are not subject to ‘Top up’.

3.4 State Tuition Assistance

Many states offer State TA programs that vary from full tuition and fees, to partial waivers, to reimbursements. To find out what different states offer, go to Appendix A of this handbook or visit <https://www.nationalguard.com/select-your-state>.

Chapter 4: CREDENTIALING ASSISTANCE

4.0 Overview

Credentialing Assistance allows Soldiers to develop marketable skills, not necessarily aligned to their military occupational specialty, which will help them find civilian employment post-service. The program supplements the Army's current credentialing programs offered through Army schools as part of institutional training. Credentials offered through this program will have a military nexus to ensure the Army benefits from the program during the Soldier's service. The Army's Credentialing Assistance (CA) Program provides Soldiers with funding for more than 1,600 credentials.

Chapter 5: FINANCIAL AID AND SCHOLARSHIPS

5.0 Overview

Financial Aid is any grant or scholarship, loan, or paid employment offered to help a student meet his/her college expenses. Such aid is usually provided by various sources such as federal and state agencies, colleges, high schools, foundations, and corporations. Financial aid enables millions of students across America to attend college, university, or trade school.

5.1 Types of Aid Available

5.1.1 Government Financial Aid

For military service or family members of military:

- Reserve Officers' Training Corps (ROTC) Scholarships
- Department of Veterans Affairs (VA) Education Benefits
- Iraq and Afghanistan Service Grant or Additional Federal Pell Grant Funds
- Limited Interest Rates, No Accrual of Interest, and Deferment of Student Loans
- <https://studentaid.gov/understand-aid/types/military>

5.1.2 Grants

Grants are often called “gift aid” because they are free money — financial aid that doesn’t have to be repaid. Grants are often need-based, versus scholarships which are merit-based.

- Federal Pell Grants
- Federal Supplemental Educational Opportunity Grants (FSEOG)
- Teacher Education Assistance for College and Higher Education (TEACH) Grants
- Iraq and Afghanistan Service Grants
- <https://studentaid.ed.gov/sa/sites/default/files/federal-grant-programs.pdf>

5.1.3 Work-study

Work-study is a work program to earn money and help you pay for school. It provides part-time employment while you are enrolled in school.

- Available to undergraduate, graduate, and professional students with financial need.
- Available to full-time or part-time students.
- Administered by schools participating in the Federal Work-Study Program. Check with your school's financial aid office to find out if your school participates.
- <https://studentaid.ed.gov/sa/types/work-study>

5.1.4 Loans

Loans consist of money that is borrowed for college or career school. This money is provided by the lender along with interest charged for its use. If you apply for financial aid, your school will likely include student loans as part of your financial aid package. Generally, there are two types of student loans—federal and private.

- Federal student loans and federal parent loans: These loans are funded by the federal government. Four types of Federal Student Loans;
 1. Direct Subsidized Loans are made to eligible undergraduate students who demonstrate financial need to help cover the costs of higher education at a college or career school.
 2. Direct Unsubsidized Loans are made to eligible undergraduate, graduate, and professional students, but eligibility is not based on financial need.
 3. Direct PLUS Loans are made to graduate or professional students and parents of dependent undergraduate students to help pay for education expenses not covered by other financial aid. Eligibility is not based on financial need, but a credit check is required. Borrowers who have an adverse credit history must meet additional requirements to qualify.
 4. Direct Consolidation Loans allow you to combine all your eligible federal student loans into a single loan with a single loan servicer.
- Private student loans: These loans are nonfederal loans, made by a lender such as a bank, credit union, state agency, or a school. For more info; <https://studentaid.ed.gov/sa/types/loans>

5.1.5 Other Sources

(State Aid, College Aid, Nonprofit/Private Orgs)

- Aid from Your State Government - Even if you're not eligible for federal aid, you might be eligible for financial aid from your state. Many States have special grants or Student Loan Repayment Programs that will forgive loans based upon service in designated areas within their respective state. <https://www2.ed.gov/about/contacts/state/index.html>
- Some States also offer a lottery scholarship with varying eligibility requirements. Check with your school's financial aid office to see if your State has one.
- Aid from Your College or Career School - Many schools offer financial aid from their own funds. Find out what might be available to you
- Aid from a Nonprofit or Private Organization - Many organizations offer scholarships or grants to help students pay for college or career school. This free money can make a real difference in the affordability of your education.

5.2 Scholarships

- Scholarships are grants or payments made to support a student's education, awarded, typically, based on academic or other achievement. Eligibility for scholarships vary greatly as eligibility can be based on intellectual or personal achievement, religion, ethnicity, geographic area, area of study, hobbies, interests, volunteerism, club based, the list is endless. Most scholarships have criteria you must meet by a deadline and require a written essay.
- Be careful which websites you choose as you could be bombarded by schools by entering your data into data collection sites that sell your information to schools. .ORG websites are typically Nonprofits, foundations, philanthropic and cultural institutions, religious, civic, arts, social and fraternal organizations, health and legal services, clubs and community volunteer groups. These are generally considered very reputable and safe. .Com websites are typically for-profit organizations. Use all scholarship search engines only after reviewing their terms of agreement.

Chapter 6: TESTING PROGRAMS

6.0 Overview

Testing services are available at your ARNG State Education Services Office, National Test Centers, Active Army Education Services Offices, and other approved Testing Sites based on the type of test needed. Test available to Soldiers range from Army Personnel Testing (language, aptitude, and military classification tests) to DANTES sponsored exams (standardized test for college admissions, college credit by examination, and teacher certification). The day-to-day administration of Army Personnel Testing programs for the ARNG are provided at the State Education Services Office. Although ARNG Education Office do not administer DANTES sponsored exams they do provide counseling services and testing resources for DANTES exams.

6.1 Army Personnel Testing (APT)

The APT Program offers standardized tests to determine eligibility for specialized training and to support the Army's personnel selection and classification process including language proficiency testing.

What Test are Available?

- Armed Forces Classification Test (AFCT)
- Selection Instrument Flight Training (SIFT)
- Defense Language Proficiency Test (DLPT)
- Defense Language Aptitude Battery (DLAB)
- Oral Proficiency Interview (OPI)

How Do I Apply?

- Contact your desired testing office for specific scheduling procedures and a sample DA4187.
- The Unit Commander approves and signs the DA4187 (Readiness NCO and Unit Admin can only sign if DA4187 is accompanied by a Memo of Signature Authority in the Absence of the Commander) and the Soldier forwards the document to the State education office.

- Approval for re-testing is set forth in the applicable regulations.
- Request for re-testing as an exception to policy will be forwarded through the Soldier's assigned state Education Services Officer to the Testing Program Manager at National Guard Bureau through GKO.

6.1.1 Armed Forces Classification Test (AFCT)

The AFCT is administered to service members desiring to improve their enlistment ASVAB or previous AFCT scores. The General Technical (GT) score is one of the ten aptitude scores of the AFCT. These scores qualify a Soldier to perform a particular military occupation, attend an Army formal school, become a Warrant Officer/Officer or attend a Reserve Officers' Training (ROTC) program. The Army's GT Score range is 58 - 144.

- **AFCT Retests.** There is no limit on how many times a Soldier can retake the AFCT however, the AFCT may not be taken any earlier than six months from the previous AFCT/ASVAB unless you have an approved Exception to Policy (ETP). The new scores obtained upon completion of the AFCT will replace your previous ASVAB/AFCT.
- **Exceptions to Policy (ETPs).** Soldiers may request an exception to the six month wait policy. To be considered for an ETP, Soldiers must provide justification as to why the Army needs the Soldier to test prior to the six month wait. Proof of study must accompany the ETP request. The two forms of study Soldiers may use include the Online Academic Skills Course (OASC) or a Basic Skills Education Program (BSEP) or similar adult education program. All ETPs for ARNG Soldiers ***MUST*** be processed through your State Education Office to NGB. Contact your Education Office for a current copy of the ETP sample memo.

- **Study/Improvement Courses.** The two primary AFCT improvement courses available to Soldier's are the Online Academic Skills Course (OASC) and Basic Skills Education Program (BSEP).
 - **Online Academic Skills Course (OASC).** The OASC is designed to help Soldiers prepare for the AFCT. This course is self-paced and customized based on your answers on a pre-assessment. Lessons utilize interactive exercises such as drag-and-drop matching, video games style multiple choice, and dynamic flash cards. Quizzes and practice problem sets also help students gauge their mastery of the material. Lessons include the following areas: Reading comprehension, math and vocabulary. OASC is available to all ARNG Soldiers at <https://dantes.petersons.com/>
 - **Basic Skills Education Program (BSEP).** BSEP courses are available at all Active Army and some National Guard Education Offices. BSEP is a resident class that provides lessons addressing three specific Armed Forces Classification Test (AFCT) subtests that comprise the GT score: Word Knowledge, Paragraph Comprehension, and Arithmetic Reasoning.

6.1.2 Selection Instrument Flight Training (SIFT)

The SIFT test is used to select Soldiers for aviation training. Soldiers must have a 110 GT to be administered the SIFT. The SIFT may only be administered twice total. Soldiers must wait 45 days before they may be administered SIFT the second time.

6.1.3 Defense Language Proficiency Test (DLPT)

These tests are used to evaluate language proficiency or to add a language Identifier to a Soldier's MOS. Soldiers holding a Language Identifier and working in their MOS using that language are eligible for Foreign Language Proficiency Bonus (FLPB) with the required score. Linguist MOS or FLIP qualified must test once every 12 months. No more than two iterations same DLPT may be administered in 12 months.

6.1.4 Defense Language Aptitude Battery (DLAB)

(DLAB) - This test is used to determine language aptitude for Soldiers applying for language training and certain MOS such as Special Forces and military intelligence career management fields. The DLAB score range is 12 - 164. Examinees with a DLAB score of 95 or are not eligible to re-test.

6.1.5 Oral Proficiency Interview (OPI)

(OPI) – The OPI is an interview given electronically by a Defense Language Institute Foreign Language Center approved interviewer. This test is given when there is no DLPT available in a given language and the language is on the strategic language list eligible for FLPB. Soldiers who have a justifiable military reason for measuring speaking proficiency may also take OPIs. The OPI cannot be taken in place of the DLPT for FLPB purposes.

6.2 DANTES-Supported Examinations

Soldiers may benefit from free/reimbursable testing opportunities sponsored by DANTES. These exams can assist with college entry, college credits, and becoming a teacher. College examinations can help you earn college credit for information you already know; save time and money toward your college degree; and bypass introductory classes.

6.2.1 College Credit by Examination Programs (CLEP/DSST)

The college credit examinations, CLEP and DSST, are widely accepted by colleges and universities. By passing these examinations, you may earn one-third or more of the credits required for a college degree. These examinations are available in more than 70 subject areas and are similar to end-of-course tests offered by colleges and universities. Colleges and universities individually determine what American Council on Education (ACE) recommended credit may be awarded for these exams, in lieu of traditional course requirements for their degree programs. Prior to testing, you are responsible for verifying your institution's credit awarding policy and minimum passing score requirements.

6.2.2 College Level Examination Program (CLEP) Examinations.

CLEP offers you the opportunity to earn college credit for what you already know by taking any of the 33 introductory-level college subject exams. Because the exams are funded by DANTES, you could save hundreds or even thousands of dollars towards your degree.

Funding Eligibility

Visit the College Board website at www.collegeboard.org/clep and select “Military take Exam for Free.” Review the information page and “Next Steps” to verify DANTES-funded eligibility.

Chapter 7: EDUCATION SUPPORT PROGRAMS

7.0 Overview

Numerous federal agencies and civilian companies offer free programs to help you succeed in your education endeavors. Some of these programs are described below.

7.1 Joint Services Transcript (JST)

The JST contains a record of your military educational experiences, including those for which there are evaluated college credit recommendations. The acceptance of American Council on Education (ACE) credit recommendations varies depending on an institution's policies, procedures, and degree requirements. To request a transcript, visit the JST Web site at <https://jst.doded.mil/jst/>

- What is the JST?
 - JST is an academically accepted document approved by ACE to validate a service member's military occupational experience and training along with the corresponding ACE college credit recommendations. It replaced the Army/American Council on Education Registry Transcript System (AARTS) and the Sailor/Marine American Council on Education Registry Transcript (SMART).
- Who is eligible for a JST?
 - All enlisted, officers and warrant officers, both active and veterans from all Army components, Coast Guard, Marine Corps and Navy.
- What benefit does JST provide?
 - It provides a description of military schooling and work history in civilian language.
 - It serves as a counseling tool for academic and career counselors in advising Service members and veterans.
 - It serves as an aid in preparing resumes and explaining Army, Coast Guard, Marine Corps, National Guard and Navy work experience to civilian employers.
 - It also saves time and money by awarding academic credits, which means less tuition to pay and less time spent in the classroom.

- How do you view and print your personal/unofficial transcript?
 - Once you have logged into the JST website, click on the link at the top that says "Transcripts". From there, you can view your transcript by using the "Transcript" link. This page also has links that allow you to view your transcript. The transcript contains sections for Military Course Completions, Military Experience and College Level Test Scores. You can print or save the transcript for your records.
- What do you have to do to have your official JST sent to a school?
 - After you log on to the JST website you will click the "Transcript" link at the top of the page and then on the "Transcripts menu" you will click the "Official Transcript Request. On the next page, search for the school and select the institution from the list. Select the correct institution (verify spelling and location are correct) in the resulting search results. On the next page, acknowledge the consent statement and click "Yes". There is no charge to have a JSY sent to a college/university.
- Do all colleges/universities accept the recommend credit listed on JST?
 - It is up to each institution to decide what ACE credit recommendations can be accepted, modified, or rejected. Whether an academic institution accepts the credit recommendations depends on its policies and procedures for transfer credit, your program of study, and your degree requirements.
- Is there a limit to the number of official transcripts you can have sent out?
 - Delivery method (indicated on screen when you order) determines how many transcripts can be ordered/sent out. If the delivery method is electronic then there is no limit but you can only order to colleges that accept electronic delivery.
 - If the delivery method is US Postal Service (USPS) then only 2 transcripts can be ordered within a 30-day period due to the cost associated with generating and mailing.
- How far back does the data on JST go?
 - The data can go back as far as 1976 but data older than 1994 may be missing or incomplete. We can include training on your transcript that was taken prior to 1976. The older the data, the greater the chance something could be missing.

7.2 Tools to Help Make Your Educational Decisions

7.2.1 VIA

- What does VIA stand for?
 - The name VIA is not an abbreviation. It is the Latin word for "pathway" or "road" which reflects the belief that by requiring Soldiers to consider the connection between their career and degree goals prior to using TA they will be more likely to stay with a degree plan and follow a selected pathway instead of frequently changing schools and degrees.
- What is VIA?
 - VIA is a decision support tool that helps you identify your long-term **career goal and choose a degree plan** that prepares you for your career goal
- What will VIA do for me?
 - VIA provides a Soldier with the "best fit" and "best value" **school** offering your preferred degree plan.

- Fit will be based on factors such as alignment with your location, learning modality preferences, and admissions criteria.
- Value will be based on cost factors such as tuition and fees and quality factors such as Soldiers retention rates.
- Who is required to use VIA?
 - All Soldiers requesting a TA Eligible Role within GoArmyEd who do not already have an established GoArmyEd TA account or Soldiers requesting to change their existing school or degree plan.
- What makes VIA unique?
 - VIA is integrated with GoArmyEd so Soldiers can be required to use VIA before using TA benefits to ensure they have made better informed decisions about their future. The Army cannot enforce usage of other available tools.
 - VIA uses data from GoArmyEd about Soldiers and schools to further personalize recommendations.
 - VIA guides Soldiers through a complete decision process, linking career goals to degree goals and to personalized school recommendations. Many existing tools only guide users through parts of the decision process.
 - VIA provides the Army greater confidence about the Army's return on investment for TA benefits through robust reporting.
- What are the benefits of VIA?
 - Personalized data used to help you visualize impacts of your career and education choices on future salary potential.
 - The VIA Menu will guide you through the process and tracks your progress.
 - The "VIA Guide" provides you personalized instructions and tips.
 - VIA contains short videos designed to guide you through the tool.
 - VIA recommends civilian career paths, enables you to conduct your own searches, and compare options.
 - VIA also recommends degrees that align with your career goal and best fit/best value schools offering the selected degree.
 - You will be able to review your selections and view personalized success tips prior to submitting your career, degree, and school choices for Education Counselor review.

7.2.2 TA DECIDE

TA DECIDE is an online information and comparison tool tailored to the unique educational needs of Service members. Launched by the Department of Defense (DoD) in April 2015, this program is designed to support decision-making when it comes to selecting schools, choosing the right program and making decisions that are aligned with unique personal goals.

- TA DECIDE works for everyone, whether pursuing education full or part-time. By entering personal parameters such as preferred degree level, program area and residential area, TA DECIDE provides vital information. This information includes number of Service members using DoD tuition assistance, annual tuition costs, graduation rates, comparisons of schools and programs, and much more.
- One of the greatest benefits of using TA DECIDE is that all the schools included in this tool have been vetted by the DoD. More than that, all the schools signed a Memorandum of Understanding (MOU) conveying the commitments and agreements between the educational

institution and DoD prior to receiving funds from a service's TA program. The TA DECIDE engine is fueled by more than 10 recognized and trusted data sources from across the departments of Defense, Education, and Veterans Affairs.

- There are thousands of schools included in TA DECIDE, and all are eligible for military tuition assistance. You can use TA DECIDE on your own or utilize it while working with an educational counselor. It's an additional resource that can help you start a conversation or launch right into your own search. See more at: www.dodmou.com/TADECIDE/

Chapter 9: COMMISSIONING PROGRAMS

9.0 Overview

Soldiers who want to increase their leadership potential, may want to consider entering one of the commissioning programs. Some of these programs cover tuition costs and provide an extra stipend for other expenses. Upon graduation, Soldiers may receive a commission as an officer. Visit Cadet Command's Web site at <https://www.goarmy.com/rotc.html> for details.

9.1 Reserve Officers' Training Corps (ROTC)

Overview. Over 1,100 colleges and universities across the nation have a Senior ROTC program as part of their curriculum. Army ROTC is a 2- to 4-year program that emphasizes basic military skills and officer leadership education. This college elective program designed for undergraduate and graduate students provides unrivaled leadership training. If you have a passion for it, you can find a place to fit in the Army National Guard as an officer.

**The ARNG now offers a 4YR. Dedicated Scholarship called the Minuteman Scholarship (Guidance for the Minuteman Scholarship Campaign will be sent each year in an operations order from U.S. Army Cadet Command (USACC)). Cadets are still required to SMP with an ARNG unit and drill monthly. The Cadet can opt out of ROTC after the first year with no recoupment of ROTC scholarship funds. However, if after the first year the Cadet remains in an ROTC program, all ROTC scholarship funds will be recouped. All SMP Cadets that leave the ROTC program still have a remaining MSO with the respective component to serve in enlisted status.*

9.2 ROTC Scholarships

Overview. Guaranteed Reserve Forces Duty (GRFD) Scholarships and Dedicated ARNG (DEDNG) scholarships are available through Army ROTC. These scholarships guarantee that commissioned Cadets can serve in the ARNG. GRFD scholarships are available for up to two years and allow simultaneous use with the Chapter 1606/ MGIB-SR or Chapter 1607/REAP GI Bills. The DEDNG scholarship is available for up to four years (either full tuition and mandatory fees or room and board option of \$10,000 per year) but does not allow simultaneous use with the Chapter 1606/ MGIB-SR or Chapter 1607/REAP GI Bills.
